Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Example:

I am	I'm trying to	But	Because	Which makes me	
feel					
A Farmer	Choose the best crop	I don't know which crop	I don't have access to		
Confused about crop					
	for my farmland	suits my soil and weather	scientific soil analysis		
selection and worried					
		conditions	and AI recommendations	about low	
yield & income
